

Breastfeeding: The Price is Right !

How much does it cost to feed your baby for **SIX** months?

Breastfeeding.....	FREE
Formula*	
Powder.....	\$750
Liquid Concentrate	\$900
Ready-to-feed	\$2330

Add to this the extra cost for bottles and nipples 😞

JUST THINK...

With the money you save you could buy...

Groceries for one person for four weeks (2300 Kcal/day)*	\$435
A new 40" flat screen TV	\$600
Six weeks of ski school at a local ski hill for your child	\$450
Manicure and pedicure (you deserve it mom!).....	\$45
New clothes for mom, dad, and school clothes for the kids	\$750

Breastfeeding : Go with the flow
